# (technical) End of Class

- For technical reasons, we've extended the edX "End of Class" to May 16
- No other impact, other than the edX "certificate" you may be expecting won't be generated before May 16

# Trivia question

- When was the first census of population of a political entity conducted in North America?
- How many questions did it have?
- Hint:
  - It had a significant impact on immigration policy
